JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

proper methods to employ in reporting contagious diseases and shall furnish said physicians with the necessary blanks for that purpose, such blanks to be of the form prescribed by the State board of health. He shall keep a record of all dangerous, contagious, and infectious diseases occurring within his jurisdiction, which record shall show the name and address of the party affected, the name of the disease, by whom reported, and such other statistical data as may be required by the State board of health. He shall by the 10th of each month report to the secretary of the State board of health, on blanks furnished for the purpose, all cases of dangerous, infectious, and contagious diseases that have occurred within his jurisdiction during the preceding month, with such further data as may be required by the State board of health. The diseases that shall be regarded as infectious or contagious shall be those so designated in the rules and regulations of the State board of health."

Infectious Diseases—Reporting of Cases of. (Chap. 59, Act Mar. 15, 1913.)

SEC. 6. That section 275 of the Revised Codes of 1905 be amended to read as follows:

"SEC. 275. *Any physician to report cases of contagion.*—Whenever it shall come to the knowledge of any physician or other person that a case of tuberculosis, typhoid fever, or any other dangerous infectious disease exists within the jurisdiction of any county or city board of health, he shall immediately report to the superintendent of the county board of health or to the city health officer, in whichever jurisdiction the case may be, the name and place of residence, if known, of every person afflicted with such disease, and, if he is the attending physician of such person, he shall report not less than twice each week the condition of each person so afflicted, with the state of such disease."

Township and Village Boards of Health—Constitution, Powers, and Duties. (Chap. 59, Act Mar. 15, 1913.)

SEC. 9. That section 3116 of the Revised Codes of 1905 be amended to read as follows:

"SEC. 3116. The supervisors of each township and the trustees of each incorporated village shall constitute a board of health, and within their respective townships or villages shall have and exercise, under the supervisory control of the county superintendent of public health, all powers necessary for the preservation of public health."

SEC. 10. That section 3117 of the Revised Codes of 1905 be amended to read as follows:

"SEC. 3117. The board of health may examine into all nuisances, sources of filth, and causes of sickness and make such temporary regulations respecting the same as it shall judge necessary for the public health and safety of the inhabitants, but upon taking such action the board shall immediately report the same to the county superintendent of public health, who shall then take the matter up and give the board specific instructions or proceed to the place and take such action as he may deem necessary for the protection of public health, and each person who violates any order or regulation made by any board of health, and duly published, is guilty of a misdemeanor and is punishable by a fine not exceeding \$100, or by imprisonment in the county jail not exceeding three months."

Secondhand Goods—Disinfection Required. (Chap. 134, Act Mar. 11, 1913.)

SECTION 1. It shall be the duty of every person, firm, or corporation dealing in secondhand furniture, before selling or exchanging, or offering for sale or exchange, or intending to sell or offer for sale or exchange to the public in this State secondhand furniture, bedclothes, wearing apparel, or any articles, including kitchen equipments and utensils of every description ordinarily used in furnishing, equipping, or decorating a home, to disinfect thoroughly each and every such article before the same shall
